## Community Development Department **SIGN PERMIT APPLICATION**

APPLICATION EXPIRES 180 DAYS AFTER DATE OF SUBMITTAL.

**TO EXPEDITE PROCESSING, PLEASE VERIFY ALL DOCUMENTATION FOR ACCURACY.**

**ALL CONTRACTORS ARE REQUIRED TO PROVIDE A COPY OF THEIR CONTRACTOR'S REGISTRATION CARD AND PROOF OF A CURRENT CITY OF YELM BUSINESS LICENSE; however, an applicant may obtain a permit to install a sign on their own property without a state license.**

**IN ORDER TO PROVIDE PROMPT AND EFFICIENT SERVICE, WE NEED THE FOLLOWING DOCUMENTS SUBMITTED WITH PERMIT APPLICATIONS:**

- The name, address and signature of the owner of the sign.
- The street address or location of the property on which the sign is to be located and the name and address of the owner of that property.
- The type of sign or sign structure.
- A site plan showing the proposed location of the sign relative to the boundary lines of the property where it will be situated, the locations and square footage areas of all existing signs on the same premises, and the location of all abutting public rights-of-way, building and other structures on the premises.
- Specifications and scale drawings showing the materials, designs, dimensions, structural supports, and electrical components of the proposed sign.

**ALL SIGNS ARE SUBJECT TO CHAPTER 15.24, YELM MUNICIPAL CODE. To aid in applicants' understanding of type/size of allowable sign(s), excerpts are printed below.**

### **15.24.080 Prohibited signs.**

Prohibited signs are subject to removal (except legal nonconforming signs as defined by this chapter) by the city at the owner's or user's expense. The following signs or displays are prohibited:

- A. Roof signs;
- B. Animated signs;
- C. Flashing signs;
- D. Portable signs, except as provided under temporary signs;
- E. Advertising vehicles;
- F. Signs which purport to be, or are, an imitation of, or resemble an official traffic sign or signal, or which bear the words "stop," "caution," "danger," "warning," or similar words;
- G. Signs which, by reason of their size, location, movement, content, coloring or manner of illumination may be confused with or construed as a traffic control sign, signal or device, or the light of an emergency or radio equipment vehicle; or which obstruct the visibility of traffic or street sign or signal device;
- H. Signs which are located upon or projecting over public streets, sidewalks, or rights-of-way, except as provided for awnings and marquees in YMC 15.24.280;
- I. Signs attached to utility poles;
- J. Off-premises signs;
- K. Strings of banners, pennants, and other graffiti-like material. (Ord. 576 § 1, 1996).

**15.24.120 Illumination.**

Illumination from or upon any sign shall be shaded, shielded, directed or reduced so as to avoid undue brightness, glare or reflection of light on private or public property in the surrounding area, and so as to avoid unreasonable distracting pedestrians or motorists. "Undue brightness" is illumination in excess of that which is reasonably necessary to make the sign reasonably visible to the average person on an adjacent street. (Ord. 576 § 1, 1996).

**15.24.140 Landscaping for freestanding and monument signs.**

All freestanding and monument signs shall include as part of their design landscaping about their base so as to improve the overall appearance of the installation. Landscaping areas shall consist of the following: 50 percent of the sign area of which 50 percent shrubs (minimum 50 percent flowering decorative shrubs), 50 percent groundcover, or cultivated flower beds (grass not allowed). (Ord. 576 § 1, 1996).
