

## **Longmire Park**

The 2019-2020 budget, approved by the City Council allocated \$70,000 for Public Works to assist with drainage improvements needed to improve the fields of play. Drainage improvements are planned for installation in the second quarter of 2019 and are anticipated to be implemented prior to the start of baseball season this spring. The second improvement to be completed in 2019 is the construction of additional equipment storage facilities, designed to increase storage space and security. The improvements began in 2018 and will be completed in 2019.
