

Yelm City Park

The Splash pad and playground equipment have been ordered. The advertisement bids for the installation of the splash pad and playground equipment, including site work for all of the underground piping, surface concrete, sidewalks, and landscaping were placed Feb. 11, 2019. Construction bids are due March 5, with a projected completion date of mid-June prior to Yelm Prairie Days. Plans and specifications have been submitted to the Health Department for review and approval of the splash pad as a recreational water feature.
